

## EU - DECLARATION OF CONFORMITY

### Kleinhuis Cable Cleats and system components for electrical installations

The described product conforms to the regulations of the following European directives:

#### Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above mentioned products conforms with the regulations and guidelines of the following standards

QM-System in accordance to **DIN EN ISO 9001**

Tested in accordance to standard/directive **DIN EN 61914**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 25.09.2017

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties

The safety instructions during installation and use have to be observed.

## EU - DECLARATION OF CONFORMITY

### **Kleinhuis Strip Earthing Cleats and Earthing Cleats** for electrical installations

The described product conforms to the regulations of the following European directives:

#### **Low voltage directive 2014/35/EU**

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above mentioned products conforms with the regulations and guidelines of the following standards

QM-System in accordance to **DIN EN ISO 9001**

Tested based on standard/directive **DIN EN 62561**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 25.09.2017

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use have to be observed.

## EU - DECLARATION OF CONFORMITY

### **Kleinhuis Mounting and Top Hat Rails and system components for mechanical support of electrical devices in switchgear and controlgear installations**

The described product conforms to the regulations of the following European directives:

#### **Low voltage directive 2014/35/EU**

**„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“**

We declare, in our sole responsibility, that the above mentioned products conforms with the regulations and guidelines of the following standards

QM-System in accordance to **DIN EN ISO 9001**

Tested in accordance to standard/directive **DIN EN 60715**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 25.09.2017

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use have to be observed.

## EU - DECLARATION OF CONFORMITY

### Kleinhuis Main line branch terminals and system components

The described product conforms to the regulations of the following European directives:

#### Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above mentioned products conforms with the regulations and guidelines of the following standards

QM-System in accordance to **DIN EN ISO 9001**

Tested in accordance to standard/directive **DIN VDE 0603-2**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 25.09.2017

  
Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use have to be observed.

## EU - DECLARATION OF CONFORMITY

### Kleinhuis Lamp Holder and system components

The described product conforms to the regulations of the following European directives:

#### Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above mentioned products conforms with the regulations and guidelines of the following standards

QM-System in accordance to **DIN EN ISO 9001**

Tested in accordance to standard/directive **DIN EN 60238**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 25.09.2017

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use have to be observed.

## EU - DECLARATION OF CONFORMITY

### Kleinhuis Equipotential Bonding Rail for electrical installations

The described product conforms to the regulations of the following European directives:

#### Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above mentioned products conforms with the regulations and guidelines of the following standards

QM-System in accordance to **DIN EN ISO 9001**

Tested in accordance or based on standard/directive **DIN VDE 0618-1**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 25.09.2017

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use have to be observed.

## EU - DECLARATION OF CONFORMITY

### **Kleinhuis Earth Rods, Earth Plates, Earth Strip, Earth Wire and system components**

The described product conforms to the regulations of the following European directives:

#### **Low voltage directive 2014/35/EU**

**„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“**

We declare, in our sole responsibility, that the above mentioned products conforms with the regulations and guidelines of the following standards

QM-System in accordance to **DIN EN ISO 9001**

Tested in accordance to standard/directive **DIN EN 62561**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 25.09.2017

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use have to be observed.

## EU - DECLARATION OF CONFORMITY

### **Kleinhuis Connecting devices for low-voltage circuits and system components**

The described product conforms to the regulations of the following European directives:

#### **Low voltage directive 2014/35/EU**

**„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“**

We declare, in our sole responsibility, that the above mentioned products conforms with the regulations and guidelines of the following standards

QM-System in accordance to **DIN EN ISO 9001**

Tested in accordance to standard/directive	<b>DIN EN 60998 - 1</b>
	<b>DIN EN 60998 – 2 - 1</b>
	<b>DIN EN 60998 – 2 - 2</b>

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 25.09.2017

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use have to be observed.

## EU - DECLARATION OF CONFORMITY

### **Kleinhuis Connecting Boxes and system components for fixed electrical installations**

The described product conforms to the regulations of the following European directives:

#### **Low voltage directive 2014/35/EU**

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above mentioned products conforms with the regulations and guidelines of the following standards

QM-System in accordance to **DIN EN ISO 9001**

Tested in accordance to standard/directive **DIN EN 60670 - 1**  
**DIN EN 60670 - 22**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 25.09.2017

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use have to be observed.

## EU - DECLARATION OF CONFORMITY

### **Kleinhuis Cable Glands and system components for electrical installations**

The described product conforms to the regulations of the following European directives:

#### **Low voltage directive 2014/35/EU**

**„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“**

We declare, in our sole responsibility, that the above mentioned products conforms with the regulations and guidelines of the following standards

QM-System in accordance to **DIN EN ISO 9001**

Tested in accordance to standard/directive **DIN EN 62444**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 25.07.2017

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use have to be observed.
